REPORT

Date 1. 10. 1930

Subject (in full) D.C. C+SB[5] remarks as attached report.

Sir,

I beg to report that an examination of C.D.C. 153[3] diary shows no mention of Mr Bee sending for him.

There are two entries relating to the Gold Exchange and Mr Bee Yen Sun.

On September 1st 1930 D.S. Bowman and C.D.C. 153 took a number of opium boys to Mr Bee's store. These were found on the person of a good quality opium and dropped dead on the floor. They were handed over on the instructions of the Prosecutor who held the inquest.

The other entry relates to a visit to the Gold Exchange on September 15th re enquiries regarding an applicant for a bodyguard's pistol license.

Enquiries show that the C.D.C. is on very friendly terms with Mr Bee and that the C.D.C. calls on Mr Bee and discusses private and family affairs. Both families are on friendly terms.

I am, Sir,

D.C. (C + SB) Yours Obediently,

D.D.O. (Mason D.D.)

Sir

I have the attached & beg to report that enquiries show that CDC 153 Loh Kung Dien is on very friendly terms with Mr Lee Koh Sun the Chairman of the Exchange.

It appears that when Mr Lee requires the services of the Police he immediately sends for this Detective.

Three private Detectives, ex Detective's seconds, are employed at the Exchange and it may possibly be that their jealousy has been aroused.

Your Obedient Servant
Mason D. J.
